

Camp Discovery 2008 Materials Needs List

Updated Frequently

- Mat board for framing. Some can be any size but also need 1500± of 5" X 7" boards in any color. We have an inventory of the various sized frames.
- Toilet paper. Our groups come in buses. This request seems ordinary but is a great need and ongoing expense.
- Large clear plastic bags that sheets or bed spreads come in are great. Also, any sizes of large freezer bags are an ongoing organizational need.
- Reams of copy paper in a variety of colors.
- Name tags are expensive and totally expendable. Different colors can be helpful for identifying youth who cannot have their photos taken. Please avoid red and blue name tags.
- Permanent markers in a variety of colors.
- Chart markers in a variety of colors.
- Orthene for killing fire ants.
- A circular saw.
- A battery charger for vehicle batteries.
- Sponsor a gallon of Sherwin Williams paint. We get a discount and need to ear-mark enough funds to have all buildings painted the same color at the same time for the first time in our history.
- Need (24) rechargeable AA batteries.
