

Camp Discovery 2008 Major Needs List

Updated Annually

- Need individuals, businesses, clubs or Sunday School classes to let Henry Chastain share information with them about the matching donation challenge for new gifts from the Lipscomb Family Foundation for 2008, 2009 and 2010 and also the matching challenge for 2008 from the Nord Family Foundation!
- Scrape paint from window panes of (2) doors.
- Need someone to assist with the planning for the lighting and the sound of the new amphitheater.
- Mount (3) sets of shower doors to the façade of the Maintenance Building for a place to display the art of youth. This art will be seen from the road and will also require a 24" roofline to divert water and shelter lights.
- Someone willing to provide color copies of our brochures for us. We are presently printing our own on a piece by piece basis. Sponsoring any amount would certainly help.
- Help identify location of property irons. May require a surveyor.
- Need map of camp and surrounding property for updating the Physical Master Plan.
- Need someone highly knowledgeable about easements to assist with Wildlife Corridor to include rights reserved.
- Grind stump near sidewalk to make way for a raised garden.
- Need a Pella sliding glass door panel repaired with insulated glass.
- Need (11) outdoor cushions covered with heavy duty vinyl fabric. (Also need the fabric.)
- Weatherstrip (5) doors in such a way that wheelchairs can pass but insects cannot.
- Install PVC access for underground water valve (for possible future outdoor water fountain).
- Repair (1) wooden slat on wrought iron bench.
- Make a new top for a round outdoor table.
- Help organize Maintenance Building for coming season. (Requires 8 people for 4-5 hours).
- Cut trench near island where holes are currently developing from possibly an underground spring.
- Reinforce the rails of the bridge which is the pass between Phase I and Phase II.
- Backhoe – bury the pipe near volleyball court and grade area for (2) covered basketball courts.
- Replace sideboard on one bunk. Identify what hardware is needed. Reinforce supports on all.
- Erect a sound 4-strand barbed wire fence across the rear property boundary. Also need (1) pass gate.
- Adopt any of the (4) flower beds around picnic area at the overlook.
- Assist with collating and folding outgoing mail. (2 - 4 X per year or any amount of time)
- Assist with organizing arts & crafts materials. (4 – 6 X per year or any amount of time)
- Assist with preparing arts & crafts or woodworking projects for groups of from 6 - 30 children.
